EDUCATION

University of Louisville, College of Business · Louisville, KY — Expected May 2027
B.S.B.A., Computer Information Systems · Data Analytics Track — *GPA: 3.9*

- Honors Program · Border Benefit Merit Award
- Sandbox Program: built Due Gooder full-time for academic credit in place of senior CIS coursework

EXPERIENCE

Due Gooder, Inc. · Louisville, KY — March 2025 – Present
Co-Founder & Chief Operating Officer

- Lead go-to-market for an AI study platform used by **320,000+** college students; own marketing, sales, partnerships, and business operations.
- Ran the Fall 2026 creator campaign with agency Vizi Labs: **50 creators, 5,228 posts, 17.9M views**; directed post-campaign analysis by hook type and platform to plan the next campaign.
- Opened universities as a new sales channel: built a sourcing, enrichment, scoring, and email-sequencing pipeline (Clay, Instantly, Notion) that reached ~800 decision-makers at 129 schools and produced **4 signed university pilots**, including a campus-wide pilot at UofL.
- Co-led the HECVAT security and privacy assessment (~900 questions) and contract review required for university approval.
- Serve as corporate Secretary and CFO/Treasurer, overseeing financial operations and compliance.

PayFWDs · Louisville, KY — June 2026 – Present
GTM Engineer (Part-Time)

- Assist in GTM operations for a payroll and HR software company serving 50–250 employee businesses: audience building, funnels, tracking, and automation.
- Built a LinkedIn-ad-to-payroll-comparison funnel with end-to-end tracking.
- Assist in large-scale outbound and in ranking and qualifying leads.
